

# Yael Naim - Far Far

Tom: G

Far far, there's this little girl  
 she was praying for something to happen to her  
 everyday she writes words and more words  
 just to speak out the thoughts that keep floating inside  
 and she's strong when the dreams come cos' they  
 take her, cover her, they are all over  
 the reality looks far now, but don't go

how can you stay outside?  
 there's a beautiful mess inside  
 how can you stay outside?  
 there's a beautiful mess inside  
 oh oh oh oh

//Like the first verse in  
 far far, there's this little girl  
 she was praying for something good to happen to her  
 from time to time there're colors and shapes  
 dazeling her eyes, tickeling her hands  
 they invent her a new world with  
 oil skies and aquarel rivers  
 but don't you run away already  
 please don't go oh oh

//Like the chorus  
 how can you stay outside?  
 there's a beautiful mess inside  
 how an you stay outside?  
 there's a beautiful mess inside  
 take a deep breath and dive  
 there's a beautiful mess inside  
 how can you stay outside?  
 There's a beautiful mess  
 beautiful mess inside

oh beautiful, beautiful  
 far far there's this little girl  
 she was praying for something big to happen to her  
 every night she ears beautiful strange music  
 it's everywhere there's nowhere to hide  
 but if it fades she begs  
 "oh lord don't take it from me, don't take it yourselves"  
 i guess i'll have to give it birth  
 to give it birth

i guess, i guess, i guess i have to give it birth  
 i guess i have to, have to give it birth  
 there's a beautiful mess inside and it's everywhere  
 so shake it yourself now deep inside  
 deeper than you ever dared  
 deeper than you ever dared  
 there's a beautiful mess inside  
 beautiful mess inside
