

Yaelokre - Neath The Grove Is a Heart

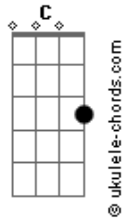

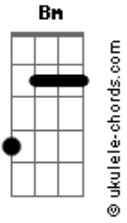

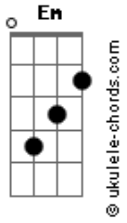

tom:
 Em
 The ground wrings an unknown strain Bm
 Hear the prattle of the birds flying our way C
 The trees sway to the young one's piping Em
 Will you stay to listen to me sing
 Em
 Seeker, do you ever come to wonder
 Bm
 If what you're looking for is within where you hold C
 Will you leave a trail for them to follow a path Em
 You'll soon forget
 Em Bm C Em
 Home
 Em
 How do I begin
 When the roof is ever changing
 Bm
 Neath the grove is a heart
 That's still in slumber
 C
 You can remain
 Will you stay and tell a tale
 Em
 Would you want to tear it down
 To see better
 (Em Bm C Em)
 Em
 Foolish dreamer
 Bm
 Be awakened
 C
 Do not walk to where you were
 Em
 To where you're staring
 Em
 Listen to the willow, listen to the sound
 Bm
 Listen to my voice, you should hear me now
 C
 Be still
 Be steady
 Em
 And be
 Em
 How do you begin
 Bm
 When the earth is ever changing
 C
 Neath the grove is a heart
 Em
 That's still in slumber
 Em
 You can remain
 Bm
 Will you stay and tell a tale
 C
 Or would you want to tear it all down
 Em
 To see better

Em
 Home
 Bm
 Is where we are now
 C
 Home
 Em
 Is where you are
 Em
 Home
 Bm
 Is where I am standing
 C
 Where I'll be staying
 Em
 Forever
 Now
