

Yamashita Tatsuro - Jody

 Jody, I'm crying again
 I'm walking alone on the sand
 The sound of the sea, brings you back to me
 Oh so clearly
 Feels like you're holding my hand
 Jody, there's no one to blame
 When young hearts get burned by love's flame
 The love that we made, was a game that you played
 'Til it faded
 But I still feel the same
 Broken hearts find their way
 Back in time, to the scene of the crime

 Jody, we happened so fast
 Like summer, never thought it would not last
 But what can I do, my life's about you
 Oh Jody
 Set me free from the dead
 [Solo]
 The sound of the sea, brings you back to me
 Oh so clearly
 Oh Jody, come love me
 Jody, come love me
