

# Years & Years - Sanctify

Tom: C  
Intro: Dbm  
When I pray  
When I  
When I pray  
In the night, you come to me  
'Cause I'm the one who knows who you are  
Give me your confession, saying  
Lately, life's been tearing you apart  
Now  
[Pré-Refrão]  
Walk through the fire with you  
'Cause I know how it can hurt  
Being cut into and afraid  
[Refrão]  
So don't break (break)  
Sanctify my body with pain (pain)  
Sanctify the love that you crave (crave)  
Oh, and I won't, and I won't, and I won't be ashamed  
Sanctify my sins when I pray  
When I pray  
You don't have to be straight with me  
I see what's underneath your mask  
I'm a man like you  
I breathe the rituals of the dancer's dance  
Oh, oh  
[Pré-Refrão]  
And there's fire in you  
And you know it's gonna hurt, being cut into

And afraid  
[Refrão]  
So don't break (break)  
Sanctify my body with pain (pain)  
Sanctify the love that you crave (crave)  
Oh, and I won't, and I won't, and I won't be ashamed  
Sanctify my sins when I pray  
When I pray  
[Ponte]  
You'll find redemption when all this is through  
Father, forgive me for finding the truth  
Love takes its toll on me, I'm just like you  
Maybe it's heavenly  
Maybe it's heavenly  
[Refrão]  
So don't break (break)  
Sanctify my body with pain (pain)  
Sanctify the love that you crave (crave)  
Oh, and I won't, and I won't, and I won't be ashamed  
Sanctify my sins when I pray  
[Refrão]  
Sanctify my body with pain  
(sanctify, sanctify my sins)  
Sanctify the love that you crave (sanctify)  
Oh, and I won't, and I won't  
And I won't be ashamed (sanctify)  
Sanctify my sins when I pray  
When I pray  
When I pray
