

Yebba Smith - October Sky

tom:

Well she slid down the hall in
 Her socks and yelled
 "Come outside
 No no no, nothings wrong
 I just happen to have
 A surprise"
 So we fell through the door
 Like the autumn leaves
 And I wrestled my brother
 Down to his knees
 Just to watch as her rocket
 Shot into the
 October Sky

There's a picture of us
 In a layer of dust
 On the mantle
 Right by my cigarettes that I smoke
 Since you left
 Cause you said you had to fly

In your October Sky
 La da di da da da di

La da di da da da da da da da da

As I go back home to Memphis
 I remember days that I
 I was outside shooting rockets
 Almost as high
 In your October
 In your October
 In your October
 In your October
 Suddenly, seem like
 We've been here before
 I never really cared
 Until I met you
 'Til now I always got by on my own
 I never really cared
 Until I met you
 'Til now I always
 Got by on my own
 'Til now I always got by

In your October Sky
 La da di da da da di
 La da di da da da da da da da da da
