

Yellowcard - Awakening

Tom: E

Bottoms up tonight, I drink to you and I
 'cause with the morning comes the rest of my life
 And with this empty glass, I will break the past
 'cause with the morning I can open my eyes
 I want this to be my awakening
 (E A Dbm G) (2x)

I give this one to you, an anthem full of truth
 I tell you now an epic tale of what you put me through
 And even though you don't deserve one of your own
 A melody, a song about, the life that you let go
 I can't believe that I still care enough to write

Bottoms up tonight, I drink to you and I
 'cause with the morning comes the rest of my life
 And with this empty glass, I will break the past
 'cause with the morning I can open my eyes
 I want this to be my awakening
 (E A Dbm G) (2x)

Yes I miss you still And probably always will
 I'm living with a busted heart that I will have until
 I find the strength I know it's somewhere in my bones

So pull the curtain up again and get on with this show
 At least you know that I still care enough to write

Bottoms up tonight, I drink to you and I
 'cause with the morning comes the rest of my life
 And with this empty glass, I will break the past
 'cause with the morning I can open my eyes
 And maybe I will see, a different destiny
 Like maybe knowing you at all was only a bad dream
 I want this to be my awakening
 No rest for the wicked they say
 Forgive me if I try to change
 No rest for the wicked they say (No rest the say)
 Forgive me if I try to change (If I try to change)

Bottoms up tonight, I drink to you and I
 'cause with the morning comes the rest of my life
 And with this empty glass, I will break the past
 'cause with the morning I can open my eyes
 And maybe I will see, a different destiny
 Like maybe knowing you at all was only a bad dream
 I want this to be my awakening
 (E A Dbm B) (2x)
