Eyes are feeling heavy
But they never seem to close
The fan blades on the ceiling spin
But the air is never cold
Even though you're next to me
I still feel so alone
I just can't give you anything

For you to call your own

And I can feel you breathing
And it's keeping me awake
Can you feel it beating?
My heart's sinking
Like a weight

Something I've been keeping
locked away behind my lips
I can feel it breaking free
With each and every kiss
I couldn't bear to hurt you
But it's all so different now
Things that I was of then
Have filled me up with doubt

And I can feel you breathing
And it's keeping me awake
Can you feel it beating?
My heart's sinking
Like a weight

And I can feel you breathing
And it's keeping me awake
Couldn't stop my heart
It's always beating
Sinking like a weight

How am I supposed to feel
About the things I've done
I don't know if I should stay
Or turn around and run
I know that I hurt you;
Things will never be the same
The only love I ever knew
I threw it all away

And I can feel you breathing
And it's keeping me awake
Can you feel it beating?
My heart's sinking
Like a weight

And I can feel you breathing
And it's keeping me awake
Couldn't stop my heart
It's always beating
Sinking like a weight
