

Yellowcard - California

Tom: C

(com acordes na forma de Capotraste na 5ª casa G)
Intro: (2x): G C Em7 C

G C Em7 C
Tell me secrets, cause I know you're scared
G D
And you dream, of California tonight
G C Em7 C
If you wait up I could meet you there
G D
And we could be, in California tonight

G
When everything that I can see, goes

C
Dark I feel you here with me,

Em7 D C
And I, I'm holding on to you

G
When shadows try to swallow me

C
You're the only light I'll ever need

Em7 D C
And I, I'm holding on to you

G C Em7 C
Tell me all this, was another lie

G D
And what it's like, in California tonight

G C Em7 C
Where the sunsets in a perfect sky

G D
I wanna be, in California tonight

G
When everything that I can see, goes

C
Dark I feel you here with me,

Em7 D C
And I, I'm holding on to you

G
When shadows try to swallow me

C
You're the only light I'll ever need

Em7 D C
And I, I'm holding on to you

Em7 C
Salt in the air, blood in my veins

Em7 D C
No more black clouds, just colourful days

Em7 C
Salt in the air, blood in my veins

Em7 D C
No more black clouds, just colourful days
