

Yellowcard - Cigarette

Tom: D

Watching the days burning out like a cigarette,
 just a few drags to go.
 You built me up and you broke me down, somehow
 Everything just seemed so clear to me, nothing left
 to know
 I'll love you right and i'll love you pure, right
 now
 How can you say, that its too late

To save us now

And I would wait for you, if you would wait for me
 And i will Wait for you, if you will wait for me
 Intoxicated, the edge is serrated, so easily torn
 from the core
 I blushed the first time, but you blushed the last
 time my eyeshit your mind
 Regenerated these feelings of hatred, i long for
 your love evermore
 You built me up and you broke me down this time
