

# Yellowcard - Date Line (I Am Gone)

Tom: C

Am F  
Is this just a matter of me getting what I needed?  
C  
Till I was safe upon the other side  
C  
Of the international dateline  
Am  
And it's just a matter of  
F  
Me keeping myself seated  
C  
Till the pilot killed the overdrive  
C  
And landed in a place where you can't find me there Am F C  
Am F C  
Find me there  
C  
When you hold one chance  
G  
And you break your hands  
Am  
When the secret's safe  
F  
And you call my name  
C  
Then I am gone  
Am  
I'm tired of you and me (Tired of you and me)  
F  
And the space that's in between (Space that's in between)  
C  
And I would rather be somewhere  
C  
With better thoughts and warmer air  
Am  
I'm tired of trying to be (Tired of trying to be)  
F  
Somebody different than me (Different than me)  
C  
I'm tired of trying to shine it on  
C  
When the lights go out tonight, I'm gone  
Am F C  
I'll run from here  
Am F C  
Run  
C  
When you hold one chance  
G  
And you break your hands  
Am  
When the secret's safe

F  
And you call my name  
C  
When the hurt gets real  
G  
Then you still can feel  
Am  
When you can't escape  
F  
And you cannot stay  
C  
Then I am gone  
(ponte) C Am G C F  
Am  
Safe upon the other side  
G  
Of the international dateline  
C  
I landed in a place where you can't find F  
Am F C  
You can't find me there (2x)  
C  
When you hold one chance  
G  
And you break your hands  
Am  
When the secret's safe  
F  
And you call my name  
C  
When the hurt gets real  
G  
Then you still can feel  
Am  
When you can't escape  
F  
And you cannot stay  
C  
Then I am gone  
Am  
Safe upon the other side  
G  
Of the international dateline  
C  
I landed in a place that you can't find  
C  
When the last plane leaves  
G  
And you cry for me  
Am  
When you lie awake  
F  
And you feel it break  
C  
Then I am gone
