

# Yellowcard - Grey

Tom: **Bb**

Album: Lights and Sounds

The other tab for this had some faults in it, so I figured that I would go ahead and correct them for you, so you don't have to do it yourself. I also added the guitar one little solo part in the intro; the other tab did not have that. Enjoy. This tab should be 100% correct.

Standard Tuning (EADGBE, low to high)
