

# Yellowcard - Hide

Tom: D

Verse 1:

D Bm G  
Haven't heard from  
D Bm G  
you in days  
D Bm G  
I'm spreading thin  
D Bm G  
what I've got taped  
D D G  
And I've come down from  
D A Bm G  
your highest ties  
D Bm G  
Now what the hell am  
D Bm G  
I supposed to say

Refrain:

A  
Whoa I know it feels  
G  
like I let you down  
But I'm still a round  
D  
If you can't find a  
way to reach me  
G  
Take your time I  
Bm  
could be underneath you  
A  
And looking up to see you  
G  
from where we used to hide  
From where we used to hide

Post-Chorus: D

Verse 2:

D Bm G D A Bm G  
Busy writing thoughts tonight  
D Bm G D G D D G  
A message sent with no reply  
D Bm G D Bm G  
You used to hang on my every word

D Bm G D Bm G  
Now they never come out right

(Repeat Refrain)  
(Repeat Chorus 1)

Interlude 4x: D

Bridge:

G Bm  
You are invisible in this  
D G  
(so invisible in this)  
Your too caught up in what  
Bm D  
you missed (caught up  
G  
what you missed)  
So spend what I gave  
D  
I give you more  
Em D G  
You are invisible in this

D  
If you can't find a  
way to reach me  
G  
Take your time I  
Bm  
could be underneath you  
A  
And looking up to see you  
G  
from where we used to hide  
from where we used to hide  
D  
If you can't find a  
way to reach me  
G  
Take your time I  
Bm  
could be underneath you  
A  
And looking up to see you  
G  
from where we used to hide  
D  
from where we used to hide
