

Yellowcard - Paper Walls

Tom: D

Intro: D

Bm G
(Let's burn a hole
so we can climb out
Of these paper walls
in this empty house
Don't listen too close
their words are like guns
With bullets that fly
and kill what you've won)

D Gbm Bm G (2x)

Bm G
Let's burn a hole so
we can climb out
Of these paper walls
in this empty house
Where the only
thing that's real
Is visions we have
of ten years ago
Of stars in the sky
and us down below
With streets and
East Coast lines
We kept this scene alive

D
Here I am I still
hold onto this
Dream we had I
won't let ago of it
Hear me now you
will never be alone

Em G

Bm G
Don't listen too close
their words are like guns
With bullets that fly
and kill what you've won
Some love to hate

D
and some tell you lies
So let's make a toast
and kiss them goodbye
We'll kiss them all goodbye

D
Here I am I still
hold onto this
Dream we had I
won't let ago of it
Hear me now you
will never be alone

D A
Here I stand won't
turn back again
Won't leave you
know how hard it's been
Hear me now you
will never be alone
Yeah

D Gbm Bm G D Gbm Bm Em (2x)

Bm G
Let's take what hurts
and write it all down
On these paper walls
in this empty house
And when our ink runs out
We'll burn into the ground

D
Here I am I still
hold onto this
Dream we had I
won't let ago of it
Hear me now you
will never be alone

D A
Here I stand won't
turn back again
Won't leave you
know how hard it's been
Hear me now you
will never be alone
Yeah
