D C G  
 I'm just so tired  
 Am  
 wont you sing me to sleep  
 C  
 and fly through my dreams  
 G D  
 so I can hitch a ride with you tonight  
 Am  
 and get away from this place  
 C  
 have a new name and face  
 G D --> Intro.(1/2)  
 I just aint the same without you in my life

C C G Am  
 late night drives all alone in my car  
 C  
 I can't help but start  
 G D G  
 singing lines from all our favorite songs  
 Am  
 and melodies in the air  
 C  
 singin life just aint fair  
 G D  
 C -> D  
 sometimes I still just can't believe you're gone  
 G C  
 and I?m sure the view from heaven  
 Em C  
 beats the hell out of mine here  
 G C  
 and if we all believe in heaven  
 Em  
 maybe we'll make it through one more year  
 G -> Intro.(1/2)  
 down here

C C Am G  
 feel your fire  
 Am  
 when its cold in my heart  
 C  
 and things sorta start  
 G D G

remindin' me of my last night with you  
 Am  
 I only need one more day  
 C  
 just one more chance to say  
 G D C D  
 I wish that I had gone up with you too  
 G C  
 and I'm sure the view from heaven  
 Em C  
 beats the hell out of mine here  
 G C  
 and if we all believe in heaven  
 Em C  
 maybe we'll make it through one more year  
 Em D C  
 down here

you wont be comin' back  
 Em  
 D C Em  
 and i didn't get to say goodbye  
 D C D  
 I really wish I got to say goodbye  
 G C  
 and I?m sure the view from heaven  
 Em C  
 beats the hell out of mine here  
 G C  
 and if we all believe in heaven  
 Em  
 maybe we'll make it through one more year  
 G Am  
 I hope that all is well in heaven  
 Em C  
 cause it's all shot to hell down here  
 G Am  
 I hope that I find you in heaven  
 Em  
 cause I'm so...  
 C Em D C  
 lost without you down here

Em  
 you wont be coming back  
 D C Em  
 and i didn't get to say goodbye  
 D C  
 I really wish I got to say gooooodbye
