

Yellowcard - With You Around

Tom: D
Intro: 2x: D G

Verso 1:

D
Do you remember when I said you were my only one
G
We were running underneath the California sun
D
Well now i look at you and you're still more than I can take
G
You're like a slow song starting to accelerate.

Pré refrão:

Bm A G
And all my life, I looked for you
Bm A G
For arms that I could fall into.

Refrão:

D Bm A G
All I can think about is you and me driving with a Saves The
Day record on
Bm A D
We were singing till our voices were gone
Bm A D
And I was falling hard you were barely hanging on
Em Bm A
And now I wanna chase forever down
With you around

(D G) (2x)

Verso 2:

D
You're making movies in your head when you fall asleep
G
Having nightmares, dreaming that I'm gonna leave
D
I know you've always been afraid of ending up alone,
G
Somebody heard you, now you're waiting on a dial tone

Pré Refrão:

Bm A G
But I'm right here, so don't get blue
Bm A G
It's not just you, I need this too.

Refrão:

Bm A D
All I can think about is you and me driving with a Saves The
Day record on
Bm A D
We were singing till our voices were gone
Bm A D
And I was falling hard you were barely hanging on
Em Bm A
And now I wanna chase forever down
With you around
