

Yerachmiel Begun & The Miami Boys Choir - Me'im Hashem

tom:

Dm

In our minds we thought that we could always endure
 Work harder and more, like never before
 Thought that we could make it on our own and just be
 But what do we see, ???? ???? ???
 Let's raise up our eyes to the heavens above
 Yes, we know, His love will flow!

Dm F
 We turn to You, please help us through
 Nowhere to run, You are the One
 In our darkest hour, we have the power
 To call to You, ?????? ??? ?
 Took time to learn, nowhere else to turn
 And though we've strayed, our choice is made
 Open your hand, make us understand
 There's only You, ?????? ??? ?

Dm Am Dm
 Have mercy on Your children who love You so dear
 It's You whom they fear, sing Your praises everywhere
 Bless them with a healthy life, without war and strife
 We know who we are, Your shining star
 Lift up our hearts and pour forth our souls
 And when we pray, He wants us to say

Dm F
 We turn to You, please help us through
 Nowhere to run, You are the One

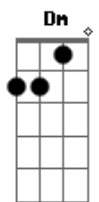

In our darkest hour, we have the power
 To call to You, ?????? ??? ?
 Just help us start, to burn it in our hearts
 And though we've strayed, our choice is made
 Open your hand, make us understand
 There's only You, ?????? ??? ?
