

Yo La Tengo - Shadows

Tom: **A**

from "I Can Hear the Heart Beating as One"
 tabbed by Galapagos90
 Intro: riff:

Verses:

Scold me, that's all you've got to say

Coldly hurt me and turn away

You say
 I'm not sorry that I'm resolved to what is next

I head for the shadows

Bridge

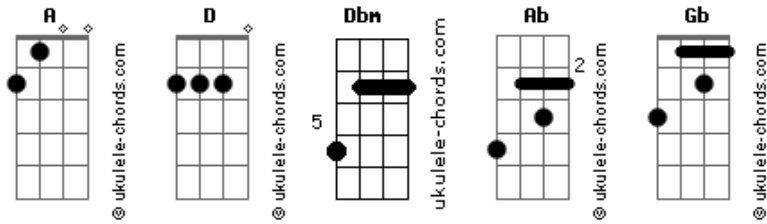

In the shadows, where I end up loved

They help me see that I've finally won

We wait in your heart

After the bridge, the verse is played again, but the vocals enter 2 lines later in than first 2 and the 'shadows' part is repeated. A pretty simple, minimal song, but very nonetheless B-)
