

Yoñlu - Reservations

Tom: G

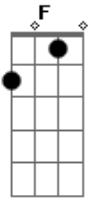

How can I convince you it's me I don't like
 Not be so indifferent to the look in your eyes
 When I've always been distant
 And I've always told lies for love
 I'm bound by these choices so hard to make
 I'm bound by the feeling so easy to fake
 When None of this is real enough to take me from you
 Oh I've got reservations
 About so many things
 But not about you

I know this isn't what you were wanting me to say
 How can I get closer and be further away
 When the truth proves that it's beautiful to lie
 I've got reservations
 About so many things
 But not about you
 I've reservations
 About so many things
 But not about you
 Not about you
 Not about you
 Not about you
 It's not about you
