 I was afraid to be me
 Be anyone you want to be
 Be anyone you want to be
 I don't blame my week
 For my not being able to speak
 Clearly about things I've said before
 And if it's light outside night will fall, night will fall
 And if it's li-i-i-i-i-i-i-fe it resolves
 E
 It reso-o-o-o-o-o-o-o-o-o-lves
 Everywhere you are in a maze is a lie
