

Yoñlu - Suicide Song

Tom: **B**

m
 Back into your arms because I just can't be
G Anything outside of them
Bm Reinvginated just to rewind
G Back to the time I had a future I could see

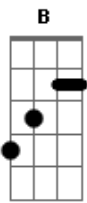

Bm Now I find that days slip through in loneliness
G Now I see it doesn't help to understand
A How the pain became world-sized
Bm How I realized

That life is losing friends

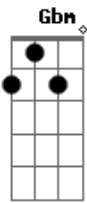

Bm Try to see through these sheets of shit poetry
G And see what there is left
Bm See, I'm sad 'cause I'alone in this world and
G Writing doesn't seem to help

Bm Now she's gone like everyone I ever met
G Now my suicide is lit by the sunset
A It's pretty sad if you ask me
Bm I don't think I will be
A Around to see your face again
