Bm Em A D  
If I was really a treasure to you  
G7 Gb7 Bm Gb7  
I'm deserted by the one I trusted the most  
Bm Gbm A E  
Knowing you'll do the same as everyone  
G Gb7 Bm  
I'll be removed and you will be gone  
G Gb7 Bm  
Please, don't ever try to leave me behind  
Em Gb7 Bm B  
But clearly, I know from the start, it's a lie  
G Gbm Bm  
Seeing you laugh with the figures you love  
Em Gbm G Gb  
To all you call 'precious', replace me now  
G Gb7 Bm A  
In this world, we keep lusting for something new  
G Gb7 Bm  
One day slowly all will forget with it too  
G Gb7 Bm A  
Finally, we'll crave for abandonment  
G Gb7 Bm  
Then end up discarding ourselves
