

YonKaGor - I Forgot That You Exist

tom:
 Em
 So what's your name?
 What was your name?
 I can't remember something so lame
 'Cause I don't care!
 Yeah I don't care
 That a break-up left you in despair
 Keep me off your track
 I don't need you back
 Crusades of guilt you put me through
 They make me sick
 To me your life's irrelevant
 So don't search for significance
 There's nothing about you I've missed
 I forgot that you exist!
 So what's it like?
 What is it like?
 To leech on someone else the next night?
 You know it's fun
 It really is fun!
 To hear you blame me for crimes I've never done
 Keep me off your track
 I don't need you back

Crusades of guilt you put me through
 They make me sick
 To me your life's irrelevant
 So don't search for significance
 There's nothing about you I've missed
 I forgot that you exist!
 Na na na na na
 Nana na na na na
 Though I've been thinking
 Of maybe forgiving
 Am I crazy? Am I strange?
 You'll never change
 To me your life's irrelevant
 So don't search for significance
 There's nothing about you I've missed
 I forgot that you exist!
 Na na na na na
 Nana na na na na
 Maybe one day I'll get over this
 But for now you don't exist
 No to me you don't exist
 I forgot that you, exist
