

Young Lights - You Drowned, I Swam

Tom: C

I've seen more visions in a blindman's eyes
 I've seen more freedom in a bird that cannot fly
 I've seen the sun, i've seen the trees
 I've walked the sands, i've swum the seas
 (Am F C G)

You took my hand, and i took you in
 Showed you the life you should've lived
 Showed you the sun, showed you the trees
 But you buried your sand, you drowned your seas
 (Am F C G)
 You drowned, i swam
