

# Young The Giant - Nothing's Over

tom:

Em

[Primeira Parte]

It's all in frame  
 Familiar faces on my wall  
 This town is strange  
 Seasons never change  
 Time is up  
 The war doesn't stop for anyone  
 Until the sun dissolves

[Pré-Refrão]

We all disappear  
 There's nothing to fear, now my love  
 How does it feel?

[Refrão]

It's over, nothing's over  
 I'll grow up when I'm older  
 God only knows what I would do to you  
 It's over, nothing's over

I'll grow up when I'm older  
 God only knows what I would do to you
