

Young The Giant - Strings

Tom: C
Intro: ; C Dm

C
Oh what did I say?

She's all shook up
C Dm
Lost in the summer, man

We're burning up
C Dm
The time don't show

When the sun gets carried
Am G F Dm
The tide curves off your body, oh you'll stay with me?

C Dm
I?, now I will show you

It's how I lie?
C Dm
When no one told you

C Dm
Oh what did I say?

She's all shook up
C Dm
Vision by the seaside

We move in now
C Dm
But I don't know

When the fire gets hazy
Am G Dm
The flames roll down and off her body
F

Oh you'll stay with me

C Dm
I?, now I will show you

It's how I lie?
C Dm
When no one told you

C Dm
So ride, Sherry, ride, Sherry, ride, i will show you

C Dm
We'll go in the night

Dm
Wondering why no one told you

C C
Now I can walk the stones of the shoreline

C Dm G
And taste the ocean salt when the cold shines

F
My words are rolling soft down your south side

C Dm
I?, now I will show you

C Dm
It's how I lie?

Dm
When no one told you

C Dm
So ride, Sherry, ride, Sherry, ride, i will show you

C Dm
We'll go in the night

Dm
Wondering why no one told you

C Dm
Why, you know it goes, you know it goes

C Dm
Why, you know it goes, you know it goes

C
Why it goes

Acordes
