

Yuck - Get Away

```
Tom: A
                                                            No I can't get away
                                          G)
(com acordes na forma de
Capostraste na 2ª casa
                                                            Summer sun says get out more,
                                                            i need you
                                                             С
                                                            I want you but
        Fm
                                                                             D
                                                            I can't get this feeling off my mind
We break down
                                                            C Am
and then break it up
                                                            I want you
again
                                                            I need you
Me and my guitar, drowning
G Em
                                                            ( Em C )
down, down, down
                                                            ( Em C )
                                                            ( Am Am )
                                                            (EmC)(4x)
not even the pain kicks in Em C
Tell me when the pain kicks in
                                                            Oh I can't get away
                                                            Oh I can't get away
Oh I can't get away
                                                            Oh I can't get away
Oh I can't get away
                                                            No I can't get away
Oh I can't get away
Am
No I can't get away
                                                            Summer sun says get out more,
                                                             C
                                                            i need you
panoramic view
                                                            I want you but
  С
That's one thing I wont do
                                                                             D
                                                            I can't get this feeling off my mind
Em C
no shouted abuse
  G
                                                            I want you
from the corner of my mind
                                                             C
C G
                                                            I need you
not even the pain kicks in
                                                                  D
Tell me when the pain kicks in
                                                            Summer sun says get out more,
                                                             C Am
                                                            i need you
Oh I can't get away
                                                            I want you but
Oh I can't get away
                                                            I can't get this feeling off my mind
Am
Oh I can't get away
                                                            I want you
```

Acordes

I need you
