

# yung kai - Blue

tom:

Your morning eyes  
 I could stare like watching stars  
 I could walk you by  
 And I'll tell without a thought  
 You'd be mine, would you mind  
 If I took your hand tonight  
 Know you're all that I want this life

I'll imagine we fell in love  
 I'll nap under moonlight skies with you  
 I think I'll picture us, you with the waves  
 The ocean's colors on your face  
 I'll leave my heart with your air  
 So let me fly with you

Will you be forever with me?

My love will always stay by you  
 I'll keep it safe  
 So don't you worry a thing, I'll tell you I love you more  
 It's stuck with you forever  
 So promise you won't let it go  
 I'll trust the universe will always bring me to you

I'll imagine we fell in love  
 I'll nap under moonlight skies with you  
 I think I'll picture us, you with the waves  
 The ocean's colors on your face  
 I'll leave my heart with your air  
 So let me fly with you  
 Will you be forever with me?
