

YUNGBLUD - Cotton Candy

tom:

A
Tallulah knows that she's not the only one

A D Dm
I'm holding close
On the low, I get vertigo from body overdose

A D
So tell me your name, and tell me your
Problems

Dm
I got the same

A D
And I wanna get stuck between your teeth

Dm
Like cotton candy

So you'll remember me, darling

A
I'm losing myself in you

D Dm
And you, and you, and you, and you, I know

A Dm
I'm losing myself in you

D Dm
And you, and you, and you, and you, I know

A D
I figured out that the modern world is

Dm
Turning the wrong way 'round

A
There's something about the way

D Dm
Our bedsheets turn religion upside down

A D
So we just have sex to solve all our problems

Dm
Let's do it again

A D
And I wanna get stuck between your teeth

Dm
Like cotton candy

So you'll remember me, darling

A
I'm losing myself in you

D Dm
And you, and you, and you, and you, I know

A
I'm losing myself in you

D Dm
And you, and you, and you, and you, I know

A
Leave me in the morning

D Dm
Although, I don't wanna be on my own

A
I'm losing myself in you

D Dm
And you, and you, and you, and you, I know

A
I'm losing myself in you

D Dm
And you, and you, and you, and you, I know

A
I'm losing myself in you

D Dm
And you, and you, and you, and you, I know

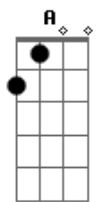

A
Leave me in the morning

D Dm
Although, I don't wanna be on my own

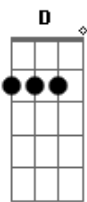

A
I'm losing myself in you

D Dm
And you, and you, and you, and you, I know
