

# YUNGBLUD - Falling Skies

tom:

G

Even though the sky is falling down

Don't let me go, don't let me go

Even though the sky is falling down

Don't let me go, don't let me go

Am F

I don't want to die but I don't want to cry lightnin'

C Dm

I don't want to put a needle in my eye just to feel things

Am F C Dm

I don't wanna be a product liability but I don't want to fight

Am F

I have never seen the person you are perceiving

C Dm

But I don't wanna be alone when I start breathing

Am F

We are in the middle, an apocalyptic disaster

C Dm

So, tell me, what does it matter? Tell me, what does it matter?

Am

They're gonna roll the world up and smoke it all

F

With all the people sitting in a pack of Marlboro gold

C

Yeah, no-one knows we're comatose

Dm

Right now you are my only hope

Am

Fuck the hype, the life, the world we know

F

It's only you and me, all the doors are closed

C

So, hold me close, don't let me go

Dm

Let's smoke a cigarette before the world explodes

Am F

Even though the sky is falling down

Don't let me go, don't let me go

Even though the sky is falling down

Don't let me go, don't let me go

Am F

Dying by your side, what a heavenly way to die

C Dm

Guess that guy's line was right bet he never thought it'd see real life

Am F

We are in the middle of a fucked up crazy design

C Dm

So stand by my side, yeah, stand by my side

Am

They're gonna roll the world up and smoke till late

F

Like the planet is a gram of the Mary Jane

C

Don't commemorate, just space you wait

Dm

While they're hittin' the red button like it's a video game

Am

It's inevitable, we know it

F

That they're about to go blow it

C

Yeah, there's no way to control it

Dm

So, we might as well be holding each other

Am F

Even though the sky is falling down

Don't let me go, don't let me go, don't let me go

Even though the sky is falling down

Don't let me go, don't let me go

Even though the sky is falling down

Don't let me go, don't let me go

Even though the sky is falling down

Don't let me go, don't let me go

Even though the sky is falling down

Don't let me go, don't let me go (Don't let me go)

Am F

Don't let me go-go-go-go-go-go

Don't let me go-go-go-go (go-go-go-go-go)

Don't let me go-go-go-go-go-go (go-go-go-go-go)

Am F

Even though the sky is falling down

Don't let me go, don't let me go

Even though the sky is falling down

Don't let me go, don't let me go (don't let me go)

Even though the sky is falling down

Don't let me go-go-go-go-go-go

Don't let me go, don't let me go

Don't let me go-go-go-go-go-go

Am F

Even though the sky is falling down

Don't let me go-go-go-go-go-go
