

YUNGBLUD - Falling Skies

tom:

G

Even though the sky is falling down
 Don't let me go, don't let me go
 Even though the sky is falling down
 Don't let me go, don't let me go

Am F
 I don't want to die but I don't want to cry lightnin'
 C Dm
 I don't want to put a needle in my eye just to feel things
 Am F C Dm
 I don't wanna be a product liability but I don't want to fight
 Am F
 I have never seen the person you are perceiving
 C Dm
 But I don't wanna be alone when I start breathing
 Am F
 We are in the middle, an apocalyptic disaster
 C Dm
 So, tell me, what does it matter? Tell me, what does it matter?
 Am
 They're gonna roll the world up and smoke it all
 F
 With all the people sitting in a pack of Marlboro gold
 C
 Yeah, no-one knows we're comatose
 Dm
 Right now you are my only hope
 Am
 Fuck the hype, the life, the world we know
 F
 It's only you and me, all the doors are closed
 C
 So, hold me close, don't let me go
 Dm
 Let's smoke a cigarette before the world explodes

Am F
 Even though the sky is falling down
 C Dm
 Don't let me go, don't let me go
 Am F
 Even though the sky is falling down
 C Dm
 Don't let me go, don't let me go

Am F
 Dying by your side, what a heavenly way to die
 C Dm
 Guess that guy's line was right bet he never thought it'd see real life
 Am F
 We are in the middle of a fucked up crazy design
 C Dm
 So stand by my side, yeah, stand by my side
 Am

F
 They're gonna roll the world up and smoke till late
 Like the planet is a gram of the Mary Jane
 C
 Don't commemorate, just space you wait
 Dm
 While they're hittin' the red button like it's a video game
 Am
 It's inevitable, we know it
 F
 That they're about to go blow it
 C
 Yeah, there's no way to control it
 Dm
 So, we might as well be holding each other
 Am F
 Even though the sky is falling down

 Don't let me go, don't let me go, don't let me go
