In my head, I can sleep when I'm dead

[Primeira Parte]

Gb
I got no want for the quiet life
Gb
No forced up smiles over tired eyes
Gb
Give me a taste of the riot life
Gb
'Cause I'd rather be a martyr than grow tomatoes
Gb
Keep the young between your teeth
Gb
Take the love
Gb
Take the doves
Gb
Take the self-belief
Gb
Make your shoes look squeaky clean
Gb
But if you want to be a leader, stop being a cheater

[Pré-Refrão]

Gb
So bounce if you've had enough
A
Of the people you know
E
So bounce if you've had enough

And just let go

[Segunda Parte]

Gb
Now lock me up in a riot van
Gb
As I hold up my fingers to this old man
Gb
'Cause he made sure my future plans
Gb
Became a time bomb, sleep with the lights on
Gb
Treating the planet like a playground
Gb
Distraction for distraction
Gb
To cover up the shake down
Gb
Hey now

Gb
You better not let me out
