

Yuno - No Going Back

tom: G

I spend all my time
 Waiting all night for you
 What do you do?
 I'm tired of tryin'
 Gave up my life for you
 But now we're through

I know there's no going back from it baby
 You know where I wanna be
 There's no going back from it baby
 Maybe you know how it feels
 La la la, la la la, la la la, la la la la la la
 La la la la la, yeah baby, oh
 La la la, la la la, la la la, la la la la la la
 La la la la la

I spend all my days thinking of things to say

To keep you safe
 You playing your games

I know there's no going back from it baby
 You know where I wanna be
 There's no going back from it baby
 Maybe you know how it feels
 La la la, la la la, la la la, la la la la la la
 La la la la la, yeah baby, oh
 La la la, la la la, la la la, la la la la la la
 La la la la la

There's no going back from it baby
 You know where I wanna be
 There's no going back from it baby
 Maybe you know how it feels
 La la la, la la la, la la la, la la la la la la
 La la la la la, yeah baby, oh
 La la la, la la la, la la la, la la la la la la
 La la la la la
