

Yutaka Yamada - Remembering

tom:
 I'm waking from this dream
 Returning to reality is so bittersweet
 But I open my eyes and the illusion is fading
 Slip_ping a_way
 It was just within reach
 Yet so far
 I lay here all alone once more
 I dreamed you were be_side me
 You were there once again as if you had never left and
 I remember wanting to say
 Asking you... Not to go
 But I know that was impossible then
 You say: I can't stay here
 As my damp eyes open

The sunshines on the bleak ho_rizon
 It's just another day
 I look out at the dimly lit buildings...And think of you
 I'm imagining you here, right next to me?
 Your eyes catch my own
 I look back fleetingly
 Before I realize you're really there
 I dreamed you'd be be_side me
 That we would meet again
 Your eyes glistened, your tears is falling
 I know you have not forgotten the past that
 We shared as I quietly watch you wipe your tears away
 Although I've found you
 I know this meeting will not last
 I have to let go continue finding your way
 Though I will miss you
 It's time to wake from this dream
