

Yves - Mais Uma Vez

Tom: D

Intro: D B G7M Gm G

Mais uma vez

Sentado aqui

Suspirei

Era uma mensagem sua

Imaginei

Eu me perdi

Em você

Mais uma vez cai na sua

Indecisão

Me deixa ser completo pra viver

Pra viver

D

A confusão

Na minha mente só existe você

Só existe você

G7M

Saiba

Que nada aqui precisa ser perfeito

Eu amo é amar esse teu jeito

E amo quando sorri pra mim

Só pra mim

G7M

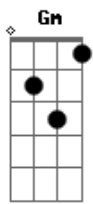

Calma

Vou te provar que nada foi em vão

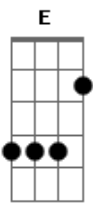

Vou te olhar e te perdão

E dizer o que existe em mim
