Abm
I got a death wish
Her looks can kill
She's got a red dress
Lipstick and heels
Pull me in, get me hooked like a junkie
You got me feeling so high
Chorus:
You're such a beautiful drug
I can't get enough
Addicted and I'm dying for a hit of your love
Got a death wish baby, baby
Don't want you to save me, save me... Intro(x1 apenas)

Abm
She lets her hair down
And all of mine stand up
Can't help but stare now
Gotta feel that touch
Her kiss, my fix, so sweet
Can't quit those lips are a habit to me
Sweet intoxication and I'm never getting sober
I can tell that the effects are taking over
Pull me in, get me hooked like a junkie
You got me feeling so high
(Chorus, sem solo Intro ao final)
