

# Zac Brown Band - Remedy

Tom: Eb

(forma dos acordes no tom de D )  
Capostrate na 1ª casa

I've been looking for a sound

That makes my heart sing

Been looking for a melody

That makes the church bells ring

Not looking for the fame

Or the fortune it might bring

In love, in music, in life

[Solo 1]

Jesus preached the golden rule

Buddha taught it too

Gandhi said eye for an eye

Makes the whole world go blind

With a little understanding

We can break these chains that we've been handed

I've got the medication

Love is the remedy

Pray to be stronger and wiser

Know you get what you give

Love one another

Aamen (amen), amen

I've been thinking about the mark

That I'll be leaving

Been looking for a truth

I can believe in

I got everything I need

Let this heart be my guide

In love, in music, in life

[Solo 2]

I'm not saying I'm a wise man

Heaven knows there's much that I'm still finding

Making my way down this winding road

Holding on to what I love

Yeah, and leaving the rest behind

For love, for music, for life
