[Primeira Parte]

Am G C F
 My old man bought a big bass boat
 Am G C F
 When I think of that summer of hope I choke
 Am G C F
 Cause even if we didn't catch a little bit of something
 Am G C F
 We'd park that boat by the bluff at the days inn
 Am G C F
 I got a need to find trouble when things are alright
 Am G C F
 I pine for pain in the morning light
 Am G C F
 And even with my baby sitting next to me
 Am G C Am
 I'm a self sabotaging suicide machine

[Refrão]

Am G C
 And you're going, going, going
 C
 Til the Lord calls you home in
 G
 Your work boots and your worn coveralls
 Am G C
 And you'll show them, show them, show them
 C
 With your high collateral loan on
 G
 That home where your children play with dolls

(Am G C F)

[Segunda Parte]

Acordes

Am G C F
 Cause I was raised by a woman who was hardly impressed
 Am G C F
 And I carry that shit real deep in my chest
 Am G C F
 Cause I ain't ever been one for cheap excuses
 Am G C F
 And apologies have always been a little late or useless
 Am G C F
 But if you give me four minutes and a little bit of time
 Am G C F
 I'll make them old days an old friend of mine
 Am G C F
 And I can talk to God and I can pray all day
 Am G C F
 But you can't heal something that you never raised

[Refrão]

Am G C
 And you're going, going, going
 C
 On Thanksgiving day
 G
 When you're sneaking off to drink some alcohol
 Am G C
 And you'll show them, show them, show them
 C
 While you're kissing all the knees of
 G
 Every scrape and every bloody fall
