

# Zach Bryan - Boons

tom:

D (forma dos acordes no tom de A )

Capostrate na 5ª casa

Intro: G C C  
Em G C G

[Primeira Parte]

Let me die out in the boons  
It took me thirteen years to bloom  
They broke up, but he's alright  
We'll be in town till late tonight  
I'm dyin' in the boons

And I hate a hungry crowd  
Worst of 'em all, talk the loudest  
I guess I'll die out here  
With a hammer and a beer  
Just dyin' in the boons

[Refrão]

So leave me out of that talk downtown  
I have found everything I'll ever need

Real dee-ee-ee-ee-ee-ee-ee-ee-ee-eeeeeeep  
In the boo-oo-oo-oo-oo-oo-oo-oo-oo-oo-oooooons

[Segunda Parte]

I met a girl deep in the city  
She said she don't mind sittin' with me  
I let my troubles float away

I had myself a simple day  
Just dyin' in the boons  
And how I miss the quick-stop line  
They say hello every time  
No concern for politics  
Come on home, I'll check for ticks  
Love me gently in the boons  
And why does everyone I know  
Have somewhere else to go?  
Won't you look up from your hands?  
Let's be still while we still can  
Stay a while, out in the boons

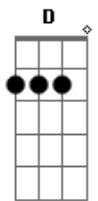

[Refrão]

So leave me out of that talk downtown  
I have found everything I'll ever neeee-eed  
Real dee-ee-ee-ee-ee-ee-ee-ee-ee-eeeeeeep  
In the boo-oo-oo-oo-oo-oo-oo-oo-oo-oo-oooooons

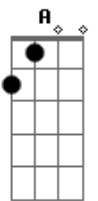

[Terceira Parte]

Let me die out in the boons  
It took me thirteen years to bloom  
I'm beat up but I'm alright  
I'll be in town till late tonight  
Just dyin' in the boons
