Intro: Am G F C

[Primeira Parte]

Am G
You don't have to drink tonight
F C
Why don't you just get some sleep
Am G
Cause I'm tired of cryin' in driveways
F C
As you slur the words you speak
Am G
And I know that growing up
F C
Has been an evil thing to you
Am G
Makes you awfully hard to love
F C
From a lover's point of view

(Am G F C)

[Segunda Parte]

Am G
And I'll never understand
F C
How you wound up in the shape you're in
Am G F
But I'll always be the fool that fell for you
C
And your burning skin
Am
I'll be praying for you
G
And pining for you
F C
And hoping you get some rest
Am G
From a lover's point of view
F C
It's all been hard to watch at best

(C)

[Refrão]

F C
Cause from where I'm standing
G Am
You got a long climb ahead
F C
And I will wipe the vomit
G Am

When you cannot lift your head
F C
Cause a lover doesn't leave
G Am
When times like these get dark
F C
I'll be there to watch the sunrise
G Am
When we reclaim your heart

[Terceira Parte]

Am G
And I will pick you up downtown
F C
When you're grinning with a busted lip
Am G
Cause you're not known for backing down
F C
And those boys are known for talking shit
Am G
And now's about the time love
F C
You really got to decide
Am G
Are you gonna be a good man to me
F C
Or die the way your mother died

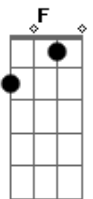

[Refrão]

F C
Cause from where I'm standing
G Am
You got a long climb ahead
