[Primeira Parte]

A
Rain started fallin' on the roof that
Mornin', it was early summertime
We fogged up the rear window of my '67
E B
Three-hundred, in-line
A
My lungs have been hurtin' and it's
Likely my liver has taken a lickin'
B
Too
A
Them Beale Street boys are handy with a
E B
Clap on four and two
A
The thrill is gone so slow and easy
E B
Won't you love me tender?
A E
The way you move's a drug and I am on a
B
Life-long bender
A
So rest them tired eyes and let your
E B
Dress fall to the ground
A E
We're the only on's left who love Otis
B
In this town

[Segunda Parte]

A
Cracked up skies tried on a couple lives
E B
To find the one that fit
A
Cold wind comin' and the heat quit
E B
Runnin', but you keep my candle lit
A
Pictures on the wall say it all with the
E B
Kind-a-conviction make a river burn
A
You got a skeleton key on a chain around
E B
Your neck, I got a chain around my
Heart
A
Church bells ringing in the air down the
E B
Hill from the house where you were born
A
I said baby don't you think we ought to
E
Live a little bit before Gabriel blows
B
His horn
