

Zach Bryan - Something In The Orange

tom:

Intro: **Em** **G** **G** **Em**

[Primeira Parte]

It'll be fine by dusk light I'm telling you baby
 These things eat at your bones and drive your young mind crazy
 But when you place your head between my collar and jaw
 I don't know much but there's no weight at all

[Segunda Parte]

And I'm damned if I do and I'm damned if I don't
 'Cause if I say I miss you I know that you won't
 But I miss you in the mornings when I see the sun
 Something in the orange tells me we're not done

[Refrão]

To you I'm just a man, to me you're all I am
 Where the hell am I 'supposed to go?
 I poisoned myself again
 Something in the orange tells me you're never coming home

(**Cadd9** **G** **D** **Em**)

[Terceira Parte]

Acordes

I need to hear you say you've been waitin' all night
 There's orange dancing in your eyes from bulb light
 Your voice only trembles when you try to speak
 Take me back to us dancing, this wood used to creak

[Refrão]

To you I'm just a man, to me you're all I am
 Where the hell am I 'supposed to go?
 I poisoned myself again
 Something in the orange tells me you're never coming home

(**Cadd9** **G** **D** **Em**)

[Refrão]

To you I'm just a man, to me you're all I am
 Where the hell am I 'supposed to go?
 I poisoned myself again
 Something in the orange tells me you're never coming home
 If you leave today I'll just stare at the way
 The orange touches all things around
 The grass trees and dew, how I just hate you
 Please turn those headlights around
 Please turn those headlights around
