

# Zach Bryan - Something In The Orange

tom:

Intro: Em G G Em

[Primeira Parte]

It'll be fine by dusk light I'm telling you baby  
 These things eat at your bones and drive your young mind crazy  
 But when you place your head between my collar and jaw  
 I don't know much but there's no weight at all

[Segunda Parte]

And I'm damned if I do and I'm damned if I don't  
 'Cause if I say I miss you I know that you won't  
 But I miss you in the mornings when I see the sun  
 Something in the orange tells me we're not done

[Refrão]

To you I'm just a man, to me you're all I am  
 Where the hell am I 'supposed to go?  
 I poisoned myself again  
 Something in the orange tells me you're never coming home  
 If you leave today I'll just stare at the way  
 The orange touches all things around  
 The grass trees and dew, how I just hate you  
 Please turn those headlights around

( Cadd9 G D Em )

[Terceira Parte]

I need to hear you say you've been waitin' all night  
 There's orange dancing in your eyes from bulb light  
 Your voice only trembles when you try to speak  
 Take me back to us dancing, this wood used to creak

[Refrão]

To you I'm just a man, to me you're all I am  
 Where the hell am I 'supposed to go?  
 I poisoned myself again  
 Something in the orange tells me you're never coming home
