Zach Templar - Missin Something

```
                              tom:
                       Em              [Intro] Em7  Bm7  Bbm7  Am7
(Now you're gone) (whoa, ah-ah-ah, yeah, uh)

Em7              Bm7      Bbm7
I know you see her in me
Am7
You're in my head girl just don't leave
Em7              Bm7
I know I fucked up, but baby please
    Bbm7 Am7
Oh was I never enough?
Am7
I thought I'm all you wanted

Em7
Nothing I can do
Bm7              Bbm7
All I want is you (girl something is wrong)
Am7
I've got a feeling babe
                Dm7
I'm missing something
Em7
All I did for you
Bm7              Bbm7
Everything I do (girl something wrong)
Am7
I've got a feeling babe
                Dm7
You're not worth loving

Em7          Bm7           Bbm7
My obsession it just won't do
 Am7
'Cause all the things you did to me
        Dm7
You know that I
```

```
Em7
Shouldn't even be here
Bm7                   Bbm7      Am7
I don't know what I see in you
                    D7
But it ain't true

Em7
Nothing I can do
Bm7              Bbm7
All I want is you (girl something is wrong)
Am7
I've got a feeling babe
            Dm7
I'm missing something
Em7
All I did for you
Bm7              Bbm7
Everything I do
Am                    A7
I got a feeling babe you're not worth loving

( Dm7   Am7   A7   Dm7 )

(Ah)

                      Am7              A7
There's nothing I can do to change your mind
                            Dm7
And everything we did is laid behind
                   Am7            A7
And all the things I'd do to love you girl
                                   Bm7
But still you don't seem to make it work (room full of lust)
             Am7
But I'm sick of us
                 A7
Because our times not now
                      Dm7 C Em7 Am
I think about the things we used to do (ah)
```
