

Zara Larsson - She's Not Me

Tom: E

(forma dos acordes no tom de C)
Capostrate na 4ª casa

She doesn't love you like I do
 She doesn't have my name
 However she tries to act like it
 She'll never be the same

But she's new and she's beautiful
 You have never been in a fight
 Yeah it's awfully perfect now
 But you just know deep inside

That she's not me
 She's not me
 She's not me, baby
 She's not me

Does she make you feel wanted like I did
 Make you feel like you're the one thing that matters
 You let her head rest on your chest
 But when you close your eyes

You'll be seeing my face again
 I'll be crossing your mind
 You'll be dreaming of places we went
 And then you'll wake up to find

That she's not me
 She's not me
 She's not me, remember
 That she's not me

Mmm Yeah
 She's not me
 She's not me

Said I wonder now
 Yeah I wonder how you've been
 Are you happy?

Is she still the one?
 Are you having fun?

Is it for real?
 Baby
 Cause I'll be waiting here
 Another week, a month or year
 If you're lonely

God I wish I knew everything
 About the two of you
 Won't you tell me

Does she have any humor?
 Does she laugh at your jokes?
 Can she look past the rumors?
 Does she know how it goes?
 Eh, or is it none of my business?
 Do you go to the movies?
 Do you make out in the park?
 Do you stay up for hours?
 And just talk and talk?
 Eh, or is it none of my business?
 Does she know about the bracelets?
 There were two of a kind
 Did you save did you save it?
 Like I did mine
 Eh, or is it none of my business?

Would it make any difference
 If I got you alone?
 If I called would you listen?
 Would you hang up the phone?
 Eh, or is it none of my business?

Oh-ah, oh-ah, eh, none of my business
 Oh-ah, oh-ah, eh, none of my business
 Oh-ah, oh-ah, eh, none of my business
 Oh-ah, oh-ah, eh, none of my business

She's not me and she'll never be, never be, never be
 She's not me and she'll never be, never be, never be
 She's not me and she'll never be, never be, never be
