

Zara Larsson - Uncover

Tom: D

Nobody sees, nobody knows
 We are a secret, can't be exposed
 That's how it is, that's how it goes
 Far from the others
 Close to eachother
 In the daylight, in the daylight
 When the sun is shining
 On a late night, on a late night
 When the moon is blinding
 In the plain sight, plain sight
 Like stars in hiding
 You and I burn on, on
 Put two and two - gether, forever
 We'll never change
 Two and two - gether
 We'll never change
 Nobody sees, nobody knows
 We are a secret, can't be exposed
 That's how it is, that's how it goes
 Far from the others
 Close to eachother
 That's when we uncover, cover, cover
 That's when we uncover, cover, cover
 We could build a universe right here
 All the world could disappear
 Wouldn't notice, wouldn't care
 We could build a universe right here
 The world could disappear
 Yeah I just need you near
 Nobody sees, nobody knows
 We are a secret, can't be exposed
 That's how it is, that's how it goes
 Far from the others
 Close to eachother
 That's when we uncover, cover, cover
 That's when we uncover, cover, cover
 My asylum, my asylum
 Is in your arms
 When the world gives heavy burdens
 I can bare a thousand tons

On your shoulder, on your shoulder
 I can reach an endless sky
 Feels like paradise
 Put two and two - gether, forever
 We'll never change
 Two and two - gether
 We'll never change
 Nobody sees, nobody knows
 We are a secret, can't be exposed
 That's how it is, that's how it goes
 Far from the others
 Close to eachother
 That's when we uncover, cover, cover
 That's when we uncover, cover, cover
 We could build a universe right here
 All the world could disappear
 Wouldn't notice, wouldn't care
 We could build a universe right here
 The world could disappear
 Yeah I just need you near
 Nobody sees, nobody knows
 We are a secret, can't be exposed
 That's how it is, that's how it goes
 Far from the others
 Close to eachother
 That's when we uncover, cover, cover
 That's when we uncover, cover, cover
 That's when we uncover, cover, cover
 That's when we uncover
