 I don't care, I don't care girl, he still cute  
 Oh yes  
 Walked in this party  
 And these girls lookin' at me  
 Skinny jeans on and you know my hair nappy  
 Hey, hey, hey  
 Okay, okay

 Now do your dance, do your dance, do your dance, aye  
 You ugly  
 You your daddy's son  
 Aye, aye

Go crazy, aye  
 Get freaky, aye  
 Do that Let's go, leggo, leggo, leggo, leggo  
 Hey, hey, hey  
 Yea  
 Okay we knuckin' and buckin'  
 And ready to fight  
 I got my cousin, he with me  
 And got Lil Zay on the right  
 And I'm a Detroit baby  
 And I don't know nothing else  
 Besides drinking and having parties  
 And having some fun  
 I say look in the mirror  
 What you expect me to do?  
 I see a three hudnred-S  
 And got them blacked out rims  
 I mean I like your style  
 I'm on a whole 'nother level  
 If you compare me and you  
 There wouldn't be no comparings  
 JuJu on the beat  
 JuJu on that beat  
 JuJu on that, JuJu on that, JuJu on that beat  
 Now slide, drop  
 Hit dem folks, don't stop, aye  
 Don't stop, aye  
 Don't stop, aye  
 Running man on that beat, aye  
 Running man on that beat, aye  
 Running man on that beat, aye  
 Running man on that beat  
 Now do your dance, do your dance, do your dance, aye  
 You ugly  
 You your daddy's son
