 That, that one dance

 Baby do it for your grandma
 Come on, I'm old and I'm trying to learn it
 Well yeah, do it
 Oh my god, oh my god
 Girl ain't that Zay and Zayion?
 Yas
 Don't both of 'em got a girlfriend?
 I don't care, I don't care girl, he still cute
 Oh yes
 Walked in this party
 And these girls lookin' at me
 Skinny jeans on and you know my hair nappy
 Hey, hey, hey
 Okay, okay
 I want y'all do it, do this dance now
 JuJu on the beat
 JuJu on that beat
 JuJu on that, JuJu on that, JuJu on that beat
 Now slide, drop
 Hit dem folks, don't stop, aye
 Don't stop, aye
 Don't stop, aye
 Running man on that beat, aye
 Running man on that beat, aye
 Running man on that beat, aye
 Running man on that beat
 Now do your dance, do your dance, do your dance, aye
 You ugly
 You your daddy's son
 Aye, aye
 Do your dance, aye

Go crazy, aye
 Get freaky, aye
 Do that Let's go, leggo, leggo, leggo, leggo
 Hey, hey, hey
 Yea
 Okay we knuckin' and buckin'
 And ready to fight
 I got my cousin, he with me
 And got Lil Zay on the right
 And I'm a Detroit baby
 And I don't know nothing else
 Besides drinking and having parties
 And having some fun
 I say look in the mirror
 What you expect me to do?
 I see a three hudnred-S
 And got them blacked out rims
 I mean I like your style
 I'm on a whole 'nother level
 If you compare me and you
 There wouldn't be no comparings
 JuJu on the beat
 JuJu on that beat
 JuJu on that, JuJu on that, JuJu on that beat
 Now slide, drop
 Hit dem folks, don't stop, aye
 Don't stop, aye
 Don't stop, aye
 Running man on that beat, aye
 Running man on that beat, aye
 Running man on that beat, aye
 Running man on that beat
 Now do your dance, do your dance, do your dance, aye
 You ugly
 You your daddy's son
