

Zayn Malik - Rainberry

Tom: G
Intro: Bm

Bm
Rainberry, please

You think I'm on my knees, but don't you worry

I know what you don't know-oh-oh

Don't even start, the truth won't break my heart

No, don't you worry

I already know-oh-oh

Bm
Too many bones inside your closet

You thought you buried deep

But they never let me get a minute of peace

How do you sleep? Ooh

Bm
Rainberry

Falling down your blood-red lips

Why are your eyes heavy?

Is there somebody else you missed?

Tell me what's going on before I go too far

Said, Rainberry

Is there somebody else, somebody else now?

Abm
Rainberry

Rainberry, please

Rainberry

Rainberry, please

Too many bones inside your closet

You thought you buried deep

But they never let me get a minute of peace

How do you sleep? Ooh

Bm
Rainberry

Falling down your blood-red lips

Why are your eyes heavy?

Is there somebody else you missed?

Tell me what's going on before I go too far

Said, Rainberry

Is there somebody else, somebody else now?

Dry your eyes 'cause it won't work this time

I already dried mine, and I won't drown in yours

Go wash your hands, but you can't change your past

Those stories ain't shit now

You don't mean it, I'm sure

Too many bones inside your closet

Is there somebody else, somebody else now?

You thought you buried deep

But they never let me get a minute of peace

How do you sleep? Ooh

Rainberry

Falling down your blood-red lips

Why are your eyes heavy?

Is there somebody else you missed?

Tell me what's going on before I go too far

Said, Rainberry

Is there somebody else, somebody else now?
