

Zayn Malik - River Road

tom:
 [Refrão]
 We don't define each other
 Stand on your own, be a pillar
 Lay on my pillow
 Ain't fairly new to each other
 Call you my lover, drinks to my liver
 I cried now a river full of tears
 Don't you
 Ever hope
 For something else?
 Don't you
 Ever hope
 For something else?

[Primeira Parte]

Breeze outside my window turned to color
 Know that I will see the sun again
 Leaves have turned into a tint of orange
 Answers that will lie inside myself

[Pré-Refrão]

What will I leave behind m??
 Where will I choose to go?
 To t?ll the truth, I'm tired of falling
 When I'm floating, I'm closer to you

[Refrão]

We can't control all the outcomes
 Let go of the reins, ride the rhythm
 Hope for something else

Doubled my vision
 Ain't fairly new to this feeling
 Searchin' for meaning, still don't believe it
 Stopped at the ceiling, all these years

Light---ly
 Float- ing
 Ectas- y

Don't you
 Ever hope
 For something else?

[Segunda Parte]

Breeze outside my window turned to color
 Know that I will see the sun again
 Leaves have turned into a tint of orange
 Answers that will lie inside myself

[Pré-Refrão]

What will I leave behind m??
 Where will I choose to go?
 To t?ll the truth, I'm tired of falling
 When I'm floating, I'm closer to you

[Refrão]

We don't define each other
 Stand on your own, be a pillar
 Lay on my pillow
 Call you my lover, drinks to my liver
 I cried now a river full of tears

Don't
 You ever
 Hope for something else
