Zayn Malik - Something In The Water

```
                  tom:
                   G
Intro: Em  Bm  C7M
```

[Refrão]

```
                        Em      Bm
Must be somethin' in the water
                   D      A
I can feel you in the atmosphere
                        Em           Bm
Don't say much until we speak in tongues

One on one
D                          A
Swear you flowin' through my blood
                        Em
Must be somethin' in the water
```

[Primeira Parte]

```
      Bm
Am I goin' out my mind?
D                      A
Said it was the last, last two or three times
Em           Bm
Spent the whole day till we woke up last night
D        A
Nothing's makin' sense no more
```
[Pré-Refrão]

```
Em                  Bm
  Caught a glimpse of you gaze, I was frozen
D          A
 Got a grip on my heart, now it's stolen
Em          Bm                  C7M
  Had a lock on the door, now it's open, now oh-oh-oh
```
[Refrão]

```
                        Em      Bm
Must be somethin' in the water
                   D      A
I can feel you in the atmosphere
                        Em           Bm
Don't say much until we speak in tongues

One on one
D                          A
Swear you flowin' through my blood
                        Em      Bm
Must be somethin' in the water
                   D      A
On the edge until you pull me in
                        Em           Bm
Got me drippin' in that old school love
                   D                A
Pour me some, feelings got me goin' numb
```

[Pós-Refrão]

```
                               Em            Bm    D A
Must be somethin' in the water, in the water
                               Em            Bm
Must be somethin' in the water, in the water
C7M
Ooh-ooh, ooh-ooh
Em
(Water)
```

[Segunda Parte]

```
      Bm
I might let myself sink
D                          A
Deep into the bottom, can't hear myself think
         Em              Bm
'Cause all I wanna hear is your voice
                      D
Pull me out of that void
          A                          Em
It's an instinct, I don't have a choice tonight
              Bm                    D
You got my heart doin' things it don't do
A                    Em
But I'm not gon' fight it
              Bm                  C7M
You?re in control, just show me what to do

I'm not afraid
```

[Refrão]

```
                        Em      Bm
Must be somethin' in the water
                   D      A
I can feel you in the atmosphere
                        Em           Bm
Don't say much until we speak in tongues

One on one
D                          A
Swear you flowin' through my blood
                        Em      Bm
Must be somethin' in the water
                   D      A
On the edge until you pull me in
                        Em           Bm
Got me drippin' in that old school love
                   D                A
Pour me some, feelings got me goin' numb
```

[Pós-Refrão]

```
                               Em            Bm    D A
Must be somethin' in the water, in the water
                               Em            Bm    C7M
Must be somethin' in the water, in the water
